1- READ THIS TEXT AND ANSWER THE QUESTIONS. (Lee este texto y responde las preguntas)

Obesity in Latin America

Kid's Healthy Eating Plate

Obesity in Latin America is an increasing problem. More and more children and teens are becoming overweight or obese.

There are many possible causes for this problem. These include an increase in urban living, dietary changes towards unhealthy US-style snacks, and a more sedentary lifestyle that involves watching TV and playing video games.

In Mexico, Congress passed legislation in 2010 in order to decrease the amount of junk food school sells to children. Specialists also suggest that schools should provide students with at least thirty minutes of exercise per day.

1- The article suggests that students should do more exercise at school?

a- No, it is false
b- Maybe
c- Yes, it is true
d- Neither of them

2- One reason for obesity in children is the amount of junk food they eat?

a- No, it is false
b- Yes, it is true
c- Completely false
d-I don't know
